

NRC Major Equipment List

1. Reliance on Information Posted: The information presented on or through the Website is made available solely for general information purposes. NRC does not warrant the accuracy, completeness or usefulness of this information. Any reliance you place on such information is strictly at your own risk. NRC disclaims all liability and responsibility arising from any reliance placed on such materials by you or any other visitor to the Website, or by anyone who may be informed of any of its contents.
2. Changes to the Website: NRC may update the content on this Website from time to time, but its content is not necessarily complete or up-to-date. Any of the material on the Website may be out of date at any given time, and we are under no obligation to update such material.
3. Equipment/Resource Lists and Locations: Posted lists are intended to be representations of what may be found in response plans and potentially available at any given time. Lists published on this website are limited by the same terms as all other items on this website and are not to be used for regulatory or customer oversight purposes. Up-to-date lists are maintained with customers or locations as required by applicable regulation or law and, if necessary, may be obtainable by appropriate requests. International Operations Center 631-224-9141 iocdo@nrcc.com OR Logistics 631-328-2517 ceilers@nrcc.com

DISCLAIMER OF WARRANTIES:

Availability of equipment is governed by agreement with customers, U.S. Coast Guard Regulations, and equipment maintenance or demands. Notification of availability is provided to customers and regulatory officials directly and not by website postings, as required by law. NRC does not represent or guarantee that any of the resources listed on this website will be available at any time.
