Description

NRC Newsletter Q2 2019

You often hear the saying a??never a dull momenta?•, and one could say it certainly applies to life here at NRCG. On June 24th 2019, just nine short months after becoming publicly traded on the NYSE, it was announced that NRCG has entered into a binding merger agreement with US Ecology (ECOL). There are still many steps to go in this process, which is expected to close later this year in Q4...
